Professional Summary

Full Stack Python Developer with hands-on experience building secure, scalable internal business applications. Strong backend expertise in **Python, Flask, RESTful APIs, JWT authentication, and MySQL**, with proven ability to integrate React frontends, implement role-based access control, and deliver maintainable solutions for attendance, inventory, billing, and employee management workflows.

Technical Skills

Backend: Python, Flask, REST APIs, SQLAlchemy, JWT, RBAC

Frontend: React.js (Hooks), JavaScript (ES6), HTML5, CSS3, Bootstrap

Database: MySQL, Relational Design, Query Optimization

Tools: Git, GitHub, Postman, VS Code

Concepts: CRUD Operations, API Integration, Business Logic, Error Handling, Secure Design

Professional Experience

Full Stack Python Developer

Feb 2025 – Present

V4 Sure IT Solutions, Chennai

- Developed and maintained internal business and office management applications supporting daily operations.
- Built secure Flask-based backend services with JWT authentication and role-based authorization.
- Implemented modules for attendance tracking, employee records, user administration, inventory, quotations, and invoicing.
- Designed RESTful APIs to support approval workflows, status transitions, and reporting features.
- Integrated React.js interfaces with backend APIs, ensuring consistent data flow and validation.

Projects

Business & Office Management System (Client and Internal Projects)

- Built a centralized system automating attendance, inventory, billing, and employee-related processes.
- Designed RESTful endpoints with role-based permissions and secure access control.
- Implemented pagination, filtering, and optimized MySQL schemas for performance and scalability.

E-commerce Platform (Shopify)

- Configured and managed an online storefront including products, pricing, orders, and payments.
- Applied responsive layouts and basic SEO configurations to improve visibility.

Education

B.Tech – Information Technology

Hindusthan Institute of Technology, Coimbatore

CGPA: 8.8 / 10
